Dear Parishioners,

As the festive season envelops us with its warmth and joy, we at St. Anthony's Friary Church, Bangalore, come together to celebrate the birth of our Saviour, Jesus Christ, and welcome the New Year 2025 with hearts full of hope and gratitude.

Christmas is not just a date on the calendar; it is a season of love, peace, and compassion – the core values that Jesus brought into the world. It is a time to reflect on how we can allow Jesus to be born anew, not just in our homes but in our hearts and families.

This year, as a parish family, we have joyfully come together to spread the spirit of Christmas. The singing of carols in our Small Christian Communities has not only filled our neighbourhoods with melodious hymns but also strengthened our bonds of unity and fellowship. The pre-Christmas celebrations in various wards have been a testament to the joy of sharing and building relationships, reminding us that Christ is born in our hearts when we come together as one family in faith.

As we exchanged cakes and sweets, we didn't just share treats; we shared smiles, joy, and love. Through our collective efforts to reach out to the poor and needy, we demonstrated our concern for those on the margins of society, living out the true essence of Christ's compassion. These simple, yet profound acts of kindness, are seeds of hope, that make Jesus' love tangible among us.

As we step into the New Year 2025, let us resolve to carry forward the joy, peace, and love of Christmas into every aspect of our daily lives. Let us make our homes, workplaces, and neighbourhoods places where Christ's compassion is experienced and shared. May this new year be a time of renewal and blessings, where Jesus continues to dwell among us and within us.

I extend my heartfelt gratitude to all of you for your participation, cooperation, and dedication in making this season so meaningful. May the love and peace of Christ guide and sustain you in the year ahead.

Wishing you and your families a Merry Christmas and a Blessed New Year 2025!

SAINT NICHOLAS, BISHOP

St. Nicholas also known as Nicholas of Bari, was a fourth century bishop in Myra, Asia Minor, modern day Turkey. He was born into a devout Christian family. His parents died when he was young due to an epidemic, leaving him an orphan and heir to his family wealth. He was reminded of Jesus words to the rich man "sell what you have and give it to the poor" Nicholas did exactly that, he sold his inheritance and distributed it to the poor. Some traditions also suggest that his uncle, the Bishop of Myra, recognized his piety and ordained him as a priest, setting him on the path to eventually becoming the Bishop of Myra himself.

One popular legend is that among the recipients of his wealth were three girls whose father could not afford dowries for them to be married. Their future options were grim and included the possibility of their resorting to prostitution to survive. When Nicholas found about this sad situation, he threw a bag of gold through the window of their house that the father used as a dowry for his first daughter. Nicholas did this second time and the father stayed awake all night and waited for a third bag and when Nicholas threw the third bag through the window, the father ran out and thanked him. Nicholas asked him not to tell anyone. His legendary habit of secret gift-giving gave rise to the folklore of Santa Claus (Saint Nick) from the Dutch Sinterklaas.

He is also known as Wonderworker and patron saint of Sailors, merchants, children, repentant thieves, unmarried people and toymakers. He was very devout man who prayed unceasingly and gave his life in serving others and helping them in difficult situations.

The celebration commenced with the Sacrament of Confession, followed by a reverent Holy Mass. The main celebrants were Fr. Shameer, Fr. Basil, Fr. Avinash, Fr. Silvester, FR. Anil, Fr. Xavier Durairaj (Provincial), Fr. Naveen. The event was a resounding success, drawing 250–300 participants from various regions to share in a day filled with spiritual renewal, festive cheer, and community bonding.

The festive atmosphere soon came alive with melodious Christmas carols and captivating dance performances and cultural programme, including the traditional Sailo dance, which was a highlight of the day. Other engaging activities included a lively Christmas quiz and a delicious lunch that enhanced the joy and camaraderie among attendees.

We extend our sincere gratitude to Father Prashant, the parish priest, for his support and generosity. Despite his busy schedule, he participated in the event and delivered an inspiring speech that perfectly captured the spirit of the season. His presence and willingness to share in the celebration brought warmth and unity to the community. FEAST OF ST. FRANCIS XAVIER: A PILGRIMAGE OF FAITH AND INSPIRATION

This year, the feast of St. Francis Xavier was marked with a special significance with the exposition of the incorrupt body of the Saint in Goa. This rare and spiritually profound event, held once every ten years, drew thousands of pilgrims from across the world, and several of our parishioners from St. Anthony's Friary Church were privileged to be part of this grace-filled pilgrimage.

The pilgrimage offered a time of deep spiritual renewal and reflection as our parishioners venerated the sacred relics of St. Francis Xavier, participated in Eucharistic celebrations, and joined the faithful in prayers and devotions. It was a beautiful reminder of the universal nature of the Church and the power of faith to unite us as one family in Christ.

St. Francis Xavier, the patron saint of missions, remains a powerful inspiration for us all. His life was a testament to unwavering faith, boundless love for Christ, and tireless efforts to bring the Gospel to the farthest corners of the world. His zeal, courage, and selflessness remind us of our own calling to share God's love in our families, parishes, and communities.

As we reflect on the life of St. Francis Xavier, let us take his example to heart. Let us strive to live our faith with authenticity, to respond to God's call in our lives, and to be witnesses of His love and compassion. May St. Francis Xavier intercede for us and for the Church, inspiring us to follow Christ more closely and to reach out to those in need of His light and grace.

St. Francis Xavier, pray for us!

FEAST OF THE IMMACULATE CONCEPTION

The Solemnity of the Immaculate Conception, celebrated on December 9th, is a beautiful reminder of God's divine plan of salvation. It is the day we honour our Blessed Mother, Mary, who was conceived without original sin, in preparation for her role as the Mother of God.

At St. Anthony's Friary Church, we celebrated this feast with great devotion. The special Eucharistic celebration was attended by many faithful, who came together to honour Mary, our model of purity, humility, and obedience to God's will. In the homily, the importance of Mary's "yes" to God and her role in the plan of salvation was beautifully reflected upon, encouraging us to say "yes" to God's will in our own lives.

As we celebrated this feast during the Advent season, we were reminded of Mary's role in bringing Christ into the world and were inspired to prepare our hearts to welcome Him this Christmas. Let us seek the intercession of our Immaculate Mother, that we may live lives pleasing to God and reflect His love and grace to the world.

May the Immaculate Conception of the Blessed Virgin Mary lead us to a deeper relationship with her Son, Jesus, and fill our hearts with peace and joy.

CAKE SALE

“Christmas is the spirit of giving without a thought of getting.”

This year, Ferdinands youth group of our church truly lived out that spirit in the most beautiful way.

We are incredibly proud to share that our recent fundraiser was a huge success, thanks to the generosity and support of our parishioners. We Ferdinands organized a sale of homemade treats, including cakes, rose cookies, ravva laddu, and kalkal, all made with love and kind. The goal of this fundraiser was to raise much-needed funds for dialysis patients in our community — those who are facing serious health challenges and require ongoing treatment.

The outpouring of support from everyone was heartwarming. Many people purchased the delicious treats not just to enjoy them but because they understood the greater purpose behind it — helping our neighbors who are in need. Each purchase made a real difference, and together, we showed the true meaning of Christmas: giving with a generous heart.

I want to extend a heartfelt thank you to all those who supported us, whether by buying treats, donating, or spreading the word. Your kindness helped make this fundraiser a success, and your contribution will go a long way in supporting those who need dialysis.

This fundraiser was a wonderful reminder of what Christmas is all about — sharing, caring, and coming together as a community to support one another. Let’s continue this spirit of generosity throughout the year, not just during the holiday season

CHURCH INTERIOR DECORATION

A Journey of Devotion and Creativity: Christmas Decoration 2024 by the Ferdinands

The festive season of Christmas has always been a time of joy, warmth, and community. For us, the Ferdinands, it is also a time to express our creativity and devotion through the art of decoration. Since our group's founding in 2018, we have been committed to transforming spaces into reflections of the festive spirit. After our first Christmas decoration in 2018, six years later, in 2024, we were once again given the honor and responsibility of decorating the church interior—a task that came with high expectations and the opportunity to showcase our collective talent.

In the first week of December, during the Parish Council meeting, we received the exciting news that we had been chosen to handle the church's interior decorations. It was a huge responsibility, and with limited time at our disposal, we knew we had to work efficiently. Collaborating closely with the core committee and with the Parish priest's approval of our blueprint, we quickly moved from planning to execution, determined to deliver a decoration that would reflect both the festive cheer and the sanctity of the occasion.

This year's decorations brought together tradition and innovation. For the main church, we used an array of lights and vintage Christmas lamps to create a warm and inviting ambiance. In the side church, we crafted handmade wreaths using red cloth and bells, which immediately captured everyone's admiration. The two grand pillars inside the church were draped in rich wine-colored fabric and adorned with delicate snowflake hangings, adding a touch of elegance and seasonal charm.

FERDINANDS

CHURCH INTERIOR DECORATION

Our vision for the central wing of the church was to symbolize the birth of Christ. A radiant star was placed in the middle, representing the shooting star that heralded His birth. This centerpiece served as a guiding light and focal point, filling the space with hope and joy. On the main side wing, we created an intricate creeper branch design with a beautiful wreath at its center, symbolizing unity and eternal life.

The altar, a sacred and significant part of the church, was given special attention. We incorporated vibrant shades of red and green to enhance its grandeur. Handmade Christmas trees were placed on either side, and luxurious gold drapes adorned the walls, creating an elegant and festive backdrop. This transformation of the altar was one of the highlights of our efforts, as it perfectly embodied the spirit of Christmas while maintaining the reverence of the holy space.

Throughout the process, the Ferdinands boys worked tirelessly, dedicating themselves to the project day and night. Their hard work and commitment were complemented by the girls, who handled the crucial behind-the-scenes preparations with precision and care. It was this teamwork and shared dedication that made it possible to achieve a grand and memorable result.

As we look back on this year's decorations, we feel a deep sense of pride and fulfillment. The blend of creativity, devotion, and teamwork resulted in one of the most beautiful Christmas decorations ever seen in our church. It was not just about beautifying the space but about creating an environment that resonated with the joy and reverence of the season.

FERDINANDS

CHURCH INTERIOR DECORATION

For us, the Ferdinands, this journey has always been about more than just decoration. It is a way to give back to our faith and community, and to contribute to the celebration of a season that brings people together. This year's success has only strengthened our commitment to this mission, and we eagerly look forward to continuing this tradition in the years to come.

During the Advent season, these dedicated members reached out to 36 families, including those grieving, dealing with illness, or facing financial hardships, bringing them the joy of Christmas carols. They shared scripture and offered prayers, spreading happiness and good news. On the final day, after singing '*Gloria in Excelsis Deo,*' one of the leaders posed a thought-provoking question: "*How can we share this angelic message with our friends of other faiths who may not know about Jesus Christ?*" This question inspired a desire in the Divine Spark team to take action, especially on Christmas Day, the perfect occasion to discuss the birth and purpose of Jesus.

The help desk team warmly engaged with visitors, answering questions about Jesus and sharing scripture promises in Kannada, Tamil, Telugu, Hindi, and English. Some individuals shared their prayer intentions, while many expressed a keen interest in learning more about Jesus. Throughout the event, members of Divine Spark joyfully sang Christmas carols, encouraging everyone to join in the festivities.

It was truly uplifting to witness people from different faiths singing together, with children dancing to lively tunes like '*Super Duper Christmas*' and the Christian version of '*Jingle Bells.*'

On the evening of December 25th, the Divine Spark members—teenagers, college students, and adults—gathered at 3:30 PM in our St. Anthony's Friary church to create a memorable Christmas experience. To bring the Christmas story to life, a PowerPoint presentation was displayed in the church, addressing various questions about Jesus.

Some members explained the beautiful crib to the guests, detailing the life stories behind each of the ten stalls that depict the events leading up to the birth of Jesus Christ. The audience was thrilled to learn these insights and expressed their gratitude for the arrival of our Savior. Some members of the Divine Spark team interacted with guests by handing out bookmarks that included Bible verses. It was fascinating to hear that many attendees felt the verse they received perfectly matched their specific need for which they were praying. The presence of the Holy Spirit was palpable among us.

No celebration is complete without treats! Our Parish generously provided chocolates for all attendees, and buns were distributed to those in need. The Christmas Day evangelization wrapped up at 9:15 pm with blessings from our Parish Priest. What a remarkable day it was! By the end, zeal for the house of God consumed every member of Divine Spark member, leaving everyone wishing for more time together.

The members of Divine Spark truly embodied generosity, compassion, and the spirit of sharing the gospel. It was a fulfilling experience to discuss our faith, the significance of Christ, and His birth, passion, death, and resurrection with so many. Indeed, Jesus is the reason for this season.

We extend our heartfelt gratitude to Rev. Fr. Prashanth Fernandes, our Parish Priest, along with all the friars and sacristans for their invaluable support. A big God Bless to all Divine Spark members for your commitment and enthusiasm. Thank you!

Divine Spark offers a variety of activities for children, youth, and adults in our Parish. If you feel inspired to contribute to the Lord's work, consider joining Divine Spark or reaching out to the Parish office today. Wishing you and your family a joyful New Year 2025!

CHRISTMAS CELEBRATION AT ST. ANTHONY'S FRIARY CHURCH

The joyous celebration of Christmas at St. Anthony's Friary Church was a spiritual and festive highlight for our parish community. This year, the Vigil Masses on Christmas Eve witnessed a remarkable turnout, with the church packed with faithful who came to celebrate the birth of our Savior. The liturgy was prayerfully and meaningfully celebrated, immersing everyone in the true spirit of Christmas.

The church campus radiated the joy of the season with its beautiful lights and decorations. A special highlight this year was the meaningful crib, thoughtfully designed to depict the humility and simplicity of the Nativity. The interior of the church was adorned with exquisite decorations that enhanced the sacred and festive atmosphere. Adding to the splendor was a tall and majestic Christmas tree, which stood as a symbol of life and hope.

We are immensely grateful to all the volunteers, youth, associations, decorators, and well wishers who worked tirelessly to make this Christmas celebration truly memorable. Their dedication and efforts brought alive the spirit of love, peace, and joy that Christmas represents.

As we celebrated the birth of Christ, we were reminded of the need to let Jesus be born in our hearts and families, spreading His love and compassion to everyone around us. May the light of Christ continue to shine in our lives and guide us in the New Year ahead.
